The easements, rights-of-way and other rights reserved herein shall run with the land and shall be binding upon and for the benefit of the Association, the Developer and their successors and assigns. With respect to its exercise of the above rights, the Developer agrees to repair any damages resulting from its use within a reasonable time after the completion of development or when such rights are no longer needed, whichever first occurs. So long as the

Developer holds title to any portion of the Property, this Section 4.05 shall not be amended without the prior consent of the Developer.

Section 4.06. Damage Resulting from Use of Easement. Subject to rights of recovery under law or pursuant to other provisions of this Declaration, any damage to any Lot or other portion of the Property or to any improvements thereon as a result of any act or work performed pursuant to the authority granted in this Article IV, or as a result of the use of any easement granted or reserved herein, shall be promptly repaired, replaced or corrected as necessary by the person or entity performing the act or work and/or by the grantee or holder of the easement being exercised, to the condition in which it existed immediately prior to the damage.

Section 4.07. Hearing Procedures. Where the Board of Directors is required in accordance with the provisions of this Declaration to hold a public hearing prior to taking certain action (hereinafter referred to as a "Hearing"), the procedures set forth in this Section 4.07 (the "Hearing Procedures") shall be followed. The Hearing on the proposed action (the "Proposal") shall be held not less than ten (10) nor more than sixty (60) days after the Board of Directors has initiated the Proposal. Notices of the Hearing (the "Notice") shall be mailed to all Lot Owners in accordance with any provisions of this Declaration relating to the giving of notice. The Notice shall describe in detail the Proposal, the Hearing Procedures set forth herein as well as any other procedures applicable thereto as may be imposed by other sections of this Declaration, and shall specify the date, time and place of the Hearing. The Hearing will be held on the Property or in a place reasonably proximate to the Property. All Lot Owners and other interested persons shall be entitled, subject only to reasonable rules and regulations established by the Board of Directors for the conduct of such Hearing, to attend the Hearing, to express their views on the Proposal, to ask questions, or to submit written comments with regard to the Proposal. If, in connection with a proposal, a Hearing is required pursuant to more than one section of the Declaration, the Board of Directors may elect to hold one combined Hearing on such Proposal, provided that all restrictions, limitations or additional procedures, if any, imposed by each of the applicable sections are followed.

Section 4.08. Acquisition, Conveyance, Improvement and Changes in Use of Association Facilities. Upon the affirmative vote of the Board of Directors proposing any of the above, the Board of Directors shall hold a Hearing on the Proposal in accordance with the Hearing Procedures set forth in Section 4.07 above.

Not less than 15 nor more than 45 days after the Hearing, the Board of Directors shall vote on the Proposal, with such modifications thereto as it deems appropriate after due consideration of the written and oral comments received and the Hearing. An affirmative vote of not less than three-fourths (3/4) of the entire Board of Directors shall be required for approval; provided, however, that any material change in use shall not be in violation of the zoning laws or any other laws, ordinances, rules or regulations of the Municipality or any other governmental authority.

If a proposed acquisition of land or improvements or the construction, addition, modification, alteration to, or the demolition of Association Property, will result in the imposition of a Special Assessment as provided in Section 5.04 of this Declaration, the board of Directors shall hold a Hearing thereon in accordance with the Hearing Procedures set forth in Section 4.07 hereof, prior to finally authorizing such action.

Notwithstanding the provisions of this Section 4.08, the decision of the Board with respect to any Proposal may not be contrary to the position of Owners of 51% or more of the Lots, expressed in a written petition or petitions signed by such Owners and delivered to the Board prior to its scheduled vote on the Proposal.

Section 4.09. Condemnation of Association Property and Resolution of Dispute as to Allocation of Award. In the event all or part of the Association Property is taken in condemnation or eminent domain proceedings, the award from such proceedings shall be paid to the Association. The Board of Directors of the Association shall arrange for the repair and restoration of such Association Property and shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. If there shall be a surplus of such proceeds, such surplus shall be part of the general funds of the Association to be used as the Association deems appropriate.

In the event of any dispute with respect to the allocation of the award, the matter shall be submitted to arbitration in accordance with the arbitration statutes of the State of New York.

ARTICLE V

ASSESSMENTS AND RIGHT OF ASSOCIATION TO BORROW

Section 5.01. Imposition, Personal Obligation, Lien. Each Owner, by becoming an Owner by the acceptance of a deed or otherwise, whether or not such deed or any other instrument pursuant to which title was obtained so provides, shall be deemed to covenant and agree to pay to the Association:

- (a) Annual assessments or charges for the maintenance and operation of Association Property ("Maintenance Assessments") and for services performed by the Association; and
- (b) Special assessments for capital improvements ("Special Assessments"); together hereinafter being collectively referred to as "Assessments".

The Assessments shall be fixed, established and collected from time to time as hereinafter provided. Each Assessment (or installment payment thereof) together with such late charges, interest thereon and costs of collection as hereinafter provided, shall be a charge and continuing lien upon the Lot against which the Assessment is made and shall also be the personal obligation of the Owner of such Lot at the time the Assessment falls due. Upon a transfer of title to a Lot, Assessments shall be adjusted as provided in Section 5.13 below.

Section 5.02. Purpose of Maintenance Assessment. The purpose of the Maintenance Assessment shall be to fund: (i) the maintenance, preservation, operation and improvement of the Association Property and the promotion of the recreation, safety and welfare of the Owners, including but not limited to, the payment of taxes on Association Property, any utility services to the Property which are commonly metered or billed (including electricity for any commonly metered lighting), (ii) the cost of labor, equipment, materials, management and supervision for all of the above; (iii) such other maintenance responsibilities as are imposed upon the Association pursuant to Section 6.01 below; and (iv) such other needs as may arise. Any material increase or decrease in the maintenance responsibilities of the Association shall require the consent of the Owners and the Developer as provided in Section 6.01 below. The amount of any reserves for such maintenance, repair or replacement shall be not less than the reasonable requirements of existing or proposed lenders, holder and insurers of first mortgages on the Lots.

Section 5.03. Date of Commencement and Notice of Assessments. The Assessments provided for herein shall commence on the day on which the first Lot is conveyed by the Developer or, if the Developer assumes responsibility for all Association expenses until such time, on such date

thereafter as determined by the Developer. The first Assessments shall be adjusted according to the number of months remaining in the fiscal year as established by the Board of Directors and such Assessments shall thereafter be on a full year basis. The Board of Directors of the Association shall fix the amount of the Assessment against each Lot at least thirty (30) days in advance of each annual Assessment period. The Assessments shall be due and payable annually unless the Board of Directors establishes other periods for payment. Written notice of the annual Assessments shall be sent to every Owner subject such Assessments.

Section 5.04. Assessments for Specific Lots. Once Assessments have commenced pursuant to Section 5.03 above, the Owner of each Lot subject to this Declaration shall be liable for the payment of full Maintenance Assessments and Special Assessments, if any, except that the Developer will only be obligated for the lesser of (i) the difference between the actual Association expenses (including budgeted amounts for reserves) and the Association charges levied on Owners who have closed title to their Lots as projected in the initial budget of projected income and expenses for the Association as projected by the Developer or (ii) Maintenance Assessments and Special Assessments on all unsold Lots.

Section 5.05. Basis for Maintenance Assessments. Once Assessments have commenced pursuant to Section 5.03 above and subject to the Developer paying a lesser amount as permitted by Section 5.04 above, the Owner of each Lot subject to this Declaration shall be liable for all Maintenance Assessments and Special Assessments, if any, assessed against such Owner's Lot. Assessments shall be equal for all Lots so that the number of Lots subject to Assessments divided into the total amount which the Board of Directors of the Association deems to be necessary to fully fund the Association's budget of estimated expenses and reserves (and any operating deficit previously sustained) shall determine the annual Maintenance Assessment for each Lot.

Any change in the basis of Assessments shall be equitable and nondiscriminatory within the following classifications: (i) Lots subject to the payment of full Maintenance Assessments, and (ii) Lots subject to the payment of less than full Maintenance Assessments pursuant to Section 5.04 above.

Section 5.06. Change in Basis of Assessments. The Association may change the basis of determining Assessments by obtaining the written consent of not less than three-quarters (3/4) of the total votes of all Owners, voting in person or by proxy. Written notice of any such change shall be sent to all Owners and lending institution first mortgagees of Lots whose names appear on the records of the Association at least forty (40) days in advance of the date or initial date set for voting thereon, except that: (i) so long as the Developer holds title to any portion of the Property, any change in the basis of Assessments which adversely affects a substantial interest or right of the Developer with respect to unsold houses or subdivision lots containing unsold dwelling houses shall require the specific consent of the Developer in writing, which consent shall not be unreasonably withheld, and (ii) no such change shall be made if lending institutions which together are first mortgagees on fifty one percent (51%) or more of the Lots advise the Association in writing, prior to the date or initial date set for voting on the proposed change,

that they are opposed to such change, which opposition must not be unreasonable. A written certificate of any such change shall be executed by the Board of Directors of the Association and recorded in the Office of the Clerk of Erie County.

Section 5.07. Special Assessments. In addition to the annual Maintenance Assessment, the Association may levy in any assessment year a Special Assessment, payable in that year and/or the following year only, for the purpose of defraying, in whole or in part, unusual expenses including capital improvements, including without limitation, the construction, reconstruction or replacement of, or repair of a capital nature to, the Association Property. Before levying such a Special Assessment, the Board of Directors shall hold a hearing on said proposed Special Assessment in accordance with the hearing procedure set forth in Section 4.07 of this Declaration. Not less than 10 nor more than 45 days after such hearing, the Board of Directors shall vote on such proposed Special Assessment with the affirmative vote of not less than two thirds (2/3) of the entire Board being necessary to approve a Special Assessment for the amount proposed or a lesser amount. In addition, for any Special Assessment for the construction (rather than the reconstruction or replacement) of any capital improvement, and for any Special Assessment amounting to more than twenty percent (20%) or the then current amount of annual Maintenance Assessments, the consent must be obtained of two thirds (2/3) or more of the total votes of all Owners voting in person or by proxy at a meeting duly called for such purpose, written notice of which meeting shall be sent to all Owners at least 10 days in advance, setting forth the purpose of the meeting. The Association shall establish one or more due dates for each payment or partial payment of each Special Assessment and shall notify each Owner thereof in writing at least 30 days prior to the first such due date.

Section 5.08. Non-Payment of Assessment. If an Assessment, or installment payment thereof, is not paid on the due date established pursuant to Section 5.03 hereof, then such Assessment payment shall be deemed delinquent. Any delinquent Assessment payment, together with such interest thereon, accelerated installments, if any, and cost of collection thereof as herein provided, shall thereupon become a continuing lien on the Lot which shall bind such Lot in the hands of its then Owner and such Owner's heirs, devisees, personal representatives, successors and assigns. In addition to such lien, the then Owner of the Lot may be held personally liable for the payment thereof (including interest, penalties and costs of collection). The obligation to pay such Assessment shall remain such Owner's personal obligation and shall not pass to such Owner's successors in title unless expressly assumed by them.

If the Assessment or any installment thereof is not paid within ten (10) days after the due date, the Association may impose a late charge or charges in such amount or amounts as the Board of Directors deems reasonable, not to exceed ten percent (10%) of the amount of such overdue Assessment or installment thereof, provided such late charges are equitably and uniformly applied. If the Assessment or any installment thereof, is not paid within thirty (30) days after the due date, (i) the Assessment shall bear interest from the due date at a rate of interest equal to twelve percent (12%) per annum or such other rate as may be fixed by the Board of Directors from time to time, such rate not to exceed the maximum rate of interest then permitted by law, (ii) the Board of Directors may accelerate the remaining installments, if

any, of such Assessment upon notice thereof to the Owner, and (iii) the Association may bring legal action against the defaulting Owner personally obligated to pay the same or foreclose the lien against the Lot of such Owner, and the cost of such proceedings, including reasonable attorneys' fees, shall be added to the amount of such Assessments, accelerated installments, if any, late charges and interest.

Once an Assessment is deemed delinquent as described above, any payments received from the Owner shall be applied in the following order: attorneys' fees, other costs of collection, late charges, interest, and then the delinquent Assessment or installments thereof beginning with the amounts past due for the longest period.

Dissatisfaction with the quantity or quality of maintenance or other services furnished by the Association shall, under no circumstances, entitle any Owner to withhold or fail to pay the Assessments due to the Association for the Lot or Lots owned by such Owner.

Section 5.09. Notice of Default. The Board of Directors, when giving notice to an Owner of a default in paying Assessments, may, at its option, or shall, at the request of a mortgagee, send a copy of such notice to each holder of a mortgage covering such Lot whose name and address appears on the Board's records. The mortgagee shall have the right to cure the Owner's default with respect to the payment of said Assessments.

Section 5.10. Right to Maintain Surplus. The Association shall not be obligated in any calendar year to spend all the sums collected in such year by way of Maintenance Assessments or otherwise, and may carry forward as surplus any balances remaining; nor shall the Association be obligated to apply any such surpluses to the reduction of the amount of the Maintenance Assessments in the succeeding year, but may carry forward from year to year such surplus as the Board of Directors in its absolute discretion may determine to be desirable for the greater financial security and the effectuation of the purposes of the Association.

Section 5.11. Assessment Certificates. Upon written demand of an Owner or lessee with respect to a Lot which such Owner owns or leases, (or any prospective purchaser, lessee, occupant, mortgagee or title insurer of such Lot), the Association shall, within a reasonable period of time, issue and furnish a certificate in writing signed by an officer or designee of the Association setting forth with respect to such Lot as of the date of such certificate, (i) whether the Assessments, if any, have been paid; (ii) the amount of such Assessments, including interest and costs, if any, due and payable as of such date; and (iii) whether any other amounts or charges are owing to the Association, e.g. for the cost of curing a violation of this Declaration. A reasonable charge, as determined by the Board of Directors, may be made for the issuance of such certificates. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with regard to any matter therein stated as between the Association and any bona fide purchaser, lessee or title insurer of, or lender, on the Lot on which such certificate has been furnished.

Section 5.12. Subordination of Assessment Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage of record now or hereafter placed upon any Lot subject to such Assessments, provided, however, that such subordination shall apply only to the Assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such Lot from liability for any Assessments thereafter becoming due, nor from the lien of any such subsequent Assessment.

Section 5.13. Adjustment of Assessments on Transfer. Unless otherwise agreed upon between the parties to the transfer, upon the transfer of a Lot, Maintenance Assessments and any Special Assessments which (i) may be payable in installments or (ii) are specifically applicable to a defined period of time which has not expired, shall be adjusted between the grantor and grantee, with the grantor being entitled to reimbursement from the grantee for the portion of any payment made by the grantor which is applicable to the remainder of the period in which the transfer occurred or to a subsequent period, and the grantee being entitled to a credit from the grantor for the portion of any unpaid payment assumed by the grantee which is applicable to the expired portion of the period in which the transfer occurred or to any prior period. Unless otherwise provided by the Board of Directors of the Association in its adoption, (i) a Special Assessment payable in installments shall be adjusted as if the installment payments apply to a period following the date due, the length of which shall be equal to the interim period between installation due dates and (ii) a Special Assessment payable in a single installment shall be the sole responsibility of the Owner of the Lot on the date which such Assessment is initially due.

Section 5.14. Right to Borrow and Mortgage. In order to fulfill the purposes set forth herein, the Association may borrow funds from any recognized lending institution, and in conjunction therewith mortgage its properties. The amount, terms rate or rates of all borrowing and the provisions of all agreements with note holders shall be subject solely to the decision of the Board of Directors of the Association acting in its absolute discretion, except that (i) any member of the Board of Directors who has been elected or appointed by the Developer shall not be permitted to vote affirmatively for any borrowing and the quorum of the Board of Directors in any such vote shall be a majority of those Directors not elected or appointed by the Developer, and (ii) any consent of the Developer as required by this Declaration must be obtained.

Section 5.15. Repayment of Monies Borrowed. In order to secure the repayment of any and all sums borrowed from time to time, the Association is hereby granted the right and power:

- a. to assign and pledge all revenues received and to be received by it under any provision of this Declaration including, but not limited to, the proceeds of the Maintenance Assessments hereunder;

- b. to enter into agreements with note holders with respect to the collection and disbursements of funds, including, but not limited to, agreements wherein the Association covenants to:
- (1) assess the Maintenance Assessments on a given day in each year and, subject to the limitation on amount of specified in Section 5.03 of this Declaration, to assess the same at a particular rate or rates;
 - (2) establish sinking funds and/or other security deposits;
 - (3) apply all funds received by it first to the payment of all principal and interest on such loans, when due, or to apply the same to such purpose after providing for costs of collection;
 - (4) establish such collection, payment and lien enforcement procedures as may be required by the note holders;
 - (5) provide for the custody and safeguarding of all funds received by it.

In such any case, the Board of Directors shall, if requested and if possible, make reasonable efforts to assist and advise the applicant so that acceptable plans can be prepared and resubmitted for approval.

ARTICLE IX

INSURANCE

Section 9.01. Insurance to be Carried. Subject to the availability of such coverages at reasonable costs as provided in this Section 9.01 below, the Board of Directors of the Association shall obtain and maintain, (and review at least once each year) with such deductible amounts as the Board of Directors shall deem appropriate: liability insurance for occurrences on the Association Property; directors' and officers' liability insurance covering those who handle Association funds.

1. **Liability.** The liability insurance shall cover the directors and officers of the Association, the managing agent, if any, and all Owners as their interests may appear, but not the liability of Lot Owners arising from occurrences within such Owner's House or on such Owner's Lot. The policy shall include the following endorsements: (i) commercial general liability including bodily injury, property damage and personal injury, (libel, slander, false arrest and invasion of privacy), (ii) medical payments, (iii) cross liability under which the rights of a named insured under the policy shall not be prejudiced with

respect to such insured's action against another named insured, (iv) "severability of interest" precluding the insurer from denying coverage to a Lot Owner because of negligent acts of the Association or any other Lot Owner, (v) contractual liability, and (vi) host liquor liability coverage with respect to events sponsored by the Association.

Coverage may not be canceled or suspended (including cancellation for nonpayment of premium) or substantially modified without at least 30 days' prior written notice to the insureds (10 days' notice for non-payment of premium), including all known mortgages of Houses or Lots as shown on the records of the Association. The Board of Directors shall review such coverage at least once each year.

Until the first meeting of the Board of Directors after the first annual meeting of Lot Owners, this public liability insurance shall be in a combined single limit of \$1,000,000.00 covering all claims for bodily injury and property damage arising out of a single occurrence.

2. Directors' and Officers' Liability. The directors' and officers' liability insurance shall cover the "wrongful" acts (wrongful performance or failure to perform) of a director or officer of the Association. The policy shall be on a "claims made" and shall include all prior officers and members of the Board of Directors, and any deductible provision shall apply only to each claim. The policy shall provide for "participation" by the Association or by the officers or director of the Association only to minimum extent permitted by law or applicable government regulations.
3. Fidelity Insurance. The fidelity insurance shall cover all directors, officers and employees of the Association and the Association's managing agent, if any, who handle Association funds. The policy shall name the Association as obligee and be in an amount not less than a sum equal to three (3) months' aggregate assessments on all Lots, plus the amount of reserves and other funds on hand. It shall contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee" or similar expression, and shall provide that the insurance may not be canceled or substantially modified (including cancellation for non-payment of premium) without at least 30 days' prior written notice to the Association (10 days' notice for non-payment of premium) and to all written notice to the Association (10 days' notice for non-payment of premium) and to all institutional first mortgages of Lots whose names appear on the records of the Association. The Board of Directors shall, at the request of any Lot Owner, Lot mortgagee, or prospective Lot Owner or Lot mortgagee, increase the amount of such insurance to meet the reasonable requirements of any existing or proposed holder or insurer of any mortgage made or to be made on any Lot.
4. Other Insurance. The Board of Directors may also obtain such other insurance as it shall deem necessary or desirable from time to time including "umbrella" catastrophe coverage, hired and non-owned vehicle coverage and workers' compensation insurance.

Any workers' compensation insurance shall cover any employees of the Association, as well as any other person performing work on behalf of the Association

5. No Liability for Failure to Obtain Above Coverages. The Board of Directors shall not be liable for failure to obtain any of the coverages required by this Section 9.01 or for any loss or damage resulting from such failure if such failure is due to the unavailability of such coverages from reputable insurance companies, or if such coverages are so available only at demonstrably unreasonable cost.
6. Deductible. The deductible, if any, on any insurance policy purchased by the Board of Directors shall be as common expense, provided, however that the Board of Directors of the Association may assess any deductible amount necessitated by the gross negligence or wantonly malicious act of any Owner against such Owner. With respect to property insurance, the deductible shall apply to each occurrence, not each item of damage. The Association may pay the deductible portion for which such Owner is responsible, and the amount so paid, together with interest and costs of collection (including attorney's fees), shall be a charge and continuing lien upon the Lot involved, shall constitute a personal obligation of such Owner, and shall be collectible in the same manner as Assessments under Article V of this Declaration.

All facilities for the storage or disposal of Trash, shall be kept in a clean and sanitary condition.

Section 10.05 No Noxious or Offensive Activities. No noxious or offensive activity shall be carried out upon any portion of the Property, nor shall anything be done thereon that may be or become a nuisance or annoyance in the area or to the residents or Owners thereof. The emission of smoke, soot, fly ash, dust, fumes, herbicides, insecticides, and other types of air pollution or radioactive emissions or electro-magnetic radiation disturbances, shall be controlled so as not to (i) be detrimental to or endanger the public health, safety, comfort or welfare, (ii) be injurious to property, vegetation or animals, (iii) adversely affect property values or otherwise produce a public nuisance or hazard or (iv) violate any applicable zoning regulation or other governmental law, ordinance or code.

Section 10.6 Single-Family Residential Dwellings Only. Unless otherwise approved in writing by the Board of Directors of the Association, the only dwellings permitted to be constructed on the Property shall be single-family dwellings with attached garages not to exceed capacity for three automobiles, all on a permanent foundation and be completed within twelve (12) months after the commencement of construction.

Section 10.08 Subdivision of Lots. There shall be no further division of any Lot or Lots shown on a filed subdivision map except by the consent of the Developer. This provision is not intended to preclude the subdivision of a lot between the two (2) adjoining Lot Owners for the purpose of making each such portion part of the adjoining Lot.

Section 10.09 Residential Use Only. Except as provided in Section 10.10 below, each Lot shall be used only for residential purposes and purposes incidental and accessory thereto, except that, with the consent of Developer given prior to the initial occupancy of any dwelling constructed on Lot, any such dwelling may be used as model home and/or temporary real estate office.

Section 10.10 Commercial and Professional Activity on Property. No wholesale or retail business, including any salon, studio, laboratory, home industry or medical or dental office shall be conducted in or on any Lot or other portion of the Property. This restriction is not intended to preclude the operation of an in-home office for purposes other than those set forth above.

Section 10.11 Unlicensed Vehicles, Parking of Recreational and Commercial Vehicles. No unlicensed or unregistered vehicles shall be allowed on the Property. Unless used temporarily in conjunction with construction on the Property, or with the maintenance, repair or replacement of the Property, there shall be no outside storage of or parking of recreational vehicles, commercial vehicles, camper bodies, boats or trailers.

ARTICLE XI

ENFORCEMENT, AMENDMENT AND DURATION OF DECLARATION

Section 11.01. Declaration Runs with the Land. Each person or entity acquiring an interest in a Lot or other portion of the Property or otherwise occupying any portion of the Property (whether or not the deed, lease or any other instrument incorporates or refers to this Declaration) covenants and agrees for him, her, or itself, and for his, her or its heirs, successors and assigns, to observe, perform and be bound by the provisions of this Declaration including personal responsibility for the payment of all charges that may become liens against his, her or its property and which become due while he, she or it is the Owner thereof, and also covenants to incorporate this Declaration by reference in any deed, lease or other instrument further transferring an interest in such Lot or other portion of the Property.

Section 11.02. Enforceability.

- (a) **Actions at Law or Suits in Equity.** The provisions of this Declaration shall bind the Property and shall be construed as running with the land and shall inure to the benefit of and be enforceable by the Association (being hereby deemed the agent for all of its members), and by any Owner, their respective legal representatives, heirs, successors and assigns, by actions at law or by suits in equity. As it may be impossible to measure monetarily the damages which may accrue to the beneficiaries hereof by reason of a violation of this Declaration, any beneficiary hereof shall be entitled to relief by way of injunction or specific performance, as well as any other relief available at law or in equity, to enforce the provisions hereof.
- (b) **Penalties and Fines.** In addition or as an alternative to an action at law or suit in equity, the Board of Directors of the Association may, with respect to any violation of this Declaration or of the By-Laws or rules and regulations of the Association or of any committee of the Association, and after affording the alleged violator a reasonable opportunity to appear and be heard, establish monetary and non-monetary penalties, the amount and/or severity of which shall be reasonably related to the violation and to the aim of deterring similar future violations by the same or any other person. Monetary penalties imposed against an Owner or occupant of a Lot shall be deemed a Special Assessment against Owner of such Lot and, as such, shall be a charge and continuing lien upon such Lot, shall constitute a personal obligation of the Owner, and shall be collectible in the same manner as Assessments under Article V of this Declaration.

Section 11.03. No Waiver by Failure to Enforce. The failure of any beneficiary hereof to enforce any provision of this Declaration shall in no event be construed as a waiver of the right by that beneficiary or any other to do so thereafter, as to the same or a similar violation occurring prior to subsequent thereto. No liability shall attach to the Association (or any officer, director, employee, member, agent, committee or committee member of the Association) or to any other person or organization for failure to enforce the provisions of this Declaration.

Section 11.04. Obligation and Lien for Cost of Enforcement. If the Association or any other party successfully brings an action to extinguish a violation or otherwise enforce the provisions of this Declaration, or the rules and regulations promulgated hereunder, the costs of such action, including legal fees, shall become a binding, personal obligation of the violator. If such violator is (1) the Owner of a Lot, or (2) any family member, tenant, guest or invitee of the Owner of a Lot, or (3) a family member or guest or invitee of the tenant of the Owner of a Lot, or (4) a guest or invitee (i) any member of the family of the Owner of a Lot, or (ii) any family member of the tenant of the Owner of a Lot, such costs shall also be a lien upon the Lot of such Owner.

Section 11.05. Notification to Association of Mortgagees and Default Notices. The Association shall be notified by the Owner of each Lot or by such Owner's mortgagee of the name and address of the mortgagee of any mortgage on such Owner's Lot. Upon receipt of such notice, the Association may thereafter provide such mortgagee with a duplicate copy of any notice of default sent to such Owner with regard to the violation, by such Owner, of any provision of this Declaration.

Section 11.06. Amending or Rescinding.

- (a) The Developer may, at any time, make amendments to this Declaration to correct omissions or errors, provided such amendments shall not adversely modify substantial rights of any Lot Owner without such Lot Owner's written consent.
- (b) Except as otherwise specifically provided for herein, the Board of Directors on its own initiative, or pursuant to a written petition signed by the Owners of not less than fifty one percent (51%) of the Lots subject to this Declaration, may propose an amendment to this Declaration.

The affirmative vote of Owners not less than two thirds (2/3) of the total number of Lots, plus Developer if Developer then owns any Property subject to this Declaration, shall be required for approval of a proposed amendment.

In addition to the approval of the Lot Owners provided for herein, no amendment or rescission which substantially adversely affects the interest of any lending institution shall be effective if lending institutions which together are first mortgagees on one-third (1/3) or more of the Lots advise the Association in writing, prior to the date or initial date set for voting on the proposed amendment, that they are opposed to such amendment, which opposition must not be unreasonable. Written notice of any proposed amendment or rescission which substantially affects the interest of any lending institution or first mortgagee shall be sent to all such lending institutions or first mortgagees whose names appear on the records of the Association at least 30 days prior to the date or initial date set for voting on the proposed amendment or rescission.

Section 11.07. When Amendment or Rescission Becomes Effective. Any amendment or rescission to this Declaration shall not become effective until the instrument evidencing such change has been duly recorded in the Office of the Erie County Clerk. Such instrument need not contain the written consent of the required number of Owners but shall contain a certification by the Board of Directors of the Association that the consents required for such amendment have been received and filed with the Board.

Section 11.08. Duration. Except as otherwise provided for herein, this Declaration shall continue with full force and effect (unless terminated by the affirmative vote of not less than three quarters (3/4) of the total number of Owners plus Developer, as long as Developer owns any Property subject to this Declaration. Notice of such vote, containing the date, time and place of the canvass thereof, and a form of ballot, shall be mailed or delivered to all Owners not less than 14 days prior to the date or dates set for the canvass thereof. Any approved termination to the Declaration shall become effective only when an instrument describing such termination has been duly recorded in the Erie County Clerk's Office and upon such recording shall be binding from the date of such recording on all of the Property unless otherwise specifically provided in such termination.

Section 11.09. Construction and Interpretation. The Association shall have the right to construe and interpret the provisions of this Declaration and, in the absence of an adjudication by a court of competent jurisdiction to the contrary, its construction or interpretation shall be final and binding as to all persons or property benefited or bound by the provisions hereof. Any conflict in construction or interpretation between the Association and any other person or entity entitled to enforce the provisions hereof shall be resolved in favor of the construction or interpretation of the Association. The Association may adopt and promulgate reasonable rules and regulations regarding the administration, interpretation and enforcement of the provisions of this Declaration. In so adopting and promulgating such rules and regulations, and in making any findings, determinations, rulings or orders or in carrying out any directive contained herein relating to the issuance of permits, authorizations, approvals, rules or regulations, the Association shall take into consideration the best interests of the Owners and to the end that the Property shall be preserved and maintained as a high-quality house.

In granting any permit, authorization, or approval, as herein provided, the Association may impose any conditions or limitations thereon as it shall deem advisable under the circumstances in each case in light of the considerations set forth in the immediately preceding paragraph hereof.

Section 11.10. Conflict with Municipal Laws. The protective covenants, conditions and restrictions set forth herein shall not be taken as permitting any action or thing prohibited by the applicable zoning laws, or the laws, ordinances, rules or regulations of any governmental authority, or by specific restrictions imposed by any deed or lease.

Section 11.11. Change of Conditions. No change of conditions or circumstances shall operate to amend any of the provisions of this Declaration, and the same may be amended only in the manner provided herein.

Section 11.12. Invalidity of Agreement or Declaration. The determination by any court that any provision hereof is unenforceable invalid or void shall not affect the enforceability or validity of any other provision hereof.

Section 11.13 Headings and Captions. The headings and captions contained in this Declaration are for convenience only and shall not affect the meaning or interpretations of the content thereof.
